The New Mexico Gaming Control Board, through the State Gaming Representative, monitors the 2001 Tribal-State Gaming Compacts signed by thirteen Tribes/Pueblos. The compacting Tribes/Pueblos pay revenue sharing and report "Net Win" quarterly. "Net Win" is the amount wagered on gaming machines, less the amount paid out in cash and non-cash prizes won on the gaming machines, less State and Tribal Regulatory Fees. From this amount, the casino must pay all operating costs. "Net Win" is *not* the net profit of the casino. The total amount paid to the State Treasurer for the quarter ending March 31, 2006 from the thirteen Tribes/Pueblos operating casinos was \$12,569,510. This revenue is deposited into the General Fund of the State of New Mexico.
