Specify Section of the Rules or Minimum Internal Controls Standards (MICS) for Racetrack Gaming Operations for which the amendment or variance is sought:

Gaming Rule(s): Rules 15.1.1613 B.

Gaming MICS: _____

Justification to Support Request (attach additional pages if necessary):

Gaming Operators, have been subjected to various orders at the Federal, State and Local Levels, requiring them to cease or severely curtail their operations. Nonprofit Gaming Operators are required to submit renewal applications for Gaming Machine Licenses and pay renewal fees on December 31st of each year. Payment of renewal fees represents a financial hardship for these Operators. Licensing Division is requesting a variance to the requirement of payment of Gaming Machine License Fees on December 31st and permitting these Operators to defer the payment of Gaming Machine License Fees until ninety (90) days after the Operators are permitted to reopen their Gaming Facilities and resume Gaming Operations.

Signature of person attesting amendment: _____

NMGCB Legal Review: _____ Date Variance Presented to Board: _____

Request Approved _____ Request Denied _____

If the above request is approved, it is restricted to the particular racetrack gaming licensee and only for the particular situation. A new request must be submitted with each license renewal application.

If the above request is denied, the racetrack gaming operator will continue to adhere to the requirements set forth in the gaming Rules and Racetrack Minimum Internal Control Standards (MICS).
