- D. Documentary and other physical evidence may be authenticated or identified by any reasonable means that shows that the matter in question is what its proponent claims it to be.

 - (3) upon conclusion of appellant's case in chief, the appellee may move for dismissal of the petition; the hearing examiner may suspend the hearing and refer the motion to the board, which shall grant, deny, or reserve decision on the motion, with or without argument, as soon as practicable but in no event later than its next regularly scheduled board meeting;
 - (4) if no motion to dismiss is made, or if the board denies or reserves decision on the motion, the appellee shall present its case in defense;
 - (5) upon conclusion of the appellee's case, the appellant may present rebuttal evidence;

The hearing examiner may proceed to consider the matter, and the board may dispose of it, on the basis of the evidence before it.

B. If the appellee fails to schedule a hearing within 60 days, the appellant shall file a motion requesting the hearing examiner to recommend to the board that default judgment be entered against the appellee:

(1) the appellee shall file a response to the motion and shall request a hearing on the motion to recommend default judgment within 10 calendar days of the date the motion is served; failure of the appellee to file a response and to request a hearing shall constitute consent to the granting of the motion; and

(2) if the appellee timely files a response to the motion, the hearing examiner shall hear the matter; the hearing examiner may deny the motion and allow the appellee additional time to schedule a hearing on the merits if an accident, illness or other good cause prevented the appellee from timely scheduling a hearing.

C. If a party fails to appear at a hearing on the merits personally or by telephone the hearing examiner may hear the evidence of witnesses who appear, and make a recommendation to the board based upon such evidence.
